6th International Translational Cancer Research Conference

Prevention and Treatment of Cancer: Hypes and Hopes

February 04-07, 2016
Hyatt Regency, Ashram Road, Ahmedabad, India
Web Site : www.tcr2016.com

Important Dates:
• Early bird registration: August 31, 2015
• Complimentary/Hostel accommodation for students: October 31, 2015
• Abstract submission: November 30, 2015
• Accommodation at concessional rate: November 30, 2015
• Regular registration: December 31, 2015
• Late registration: January 01, 2016 onwards (If available)
Dear Colleagues,

International Society for Translational Cancer Research (ISTCR) was formed in 2005 with the aim to bring both clinicians and scientists together to strengthen the fight against cancer. Since then, ISTCR has organized highly successful five conferences at various places in India, in addition to its various other academic activities. Continuing the traditions; we are glad to announce “6th International Translational Cancer Research Conference” from February 04-07, 2016 in Ahmedabad, India. The theme of the conference will revolve around “Prevention and Treatment of Cancer: Hypes and Hopes”. The conference will be held at Hotel Hyatt Regency, Ahmedabad, which is situated in the center of the city, close to “Gandhi Ashram and Sabarmati River Front” and has several other unique features making it the best conference venue.

The key feature of this international meeting is to discuss and explore translational opportunities of novel therapeutic strategies to combat cancer by active involvement of academicians, scientists and clinicians. Most importantly, this conference will make an attempt to bring together distinguished scientists around the globe and budding researchers to discuss and deliberate on the emerging trends and future prospects of prevention and treatment of cancer. We look forward to provide various interactive sessions for exchange of new knowledge and discussion on frontiers of cancer research. The organizers hope that there will be a fruitful volume on diverse disciplines of oncology through this conference which will go a long way in enriching the knowledge and stimulating young minds to develop interest in cancer.

Furthermore, national and international delegates will have an exciting indulgence to the rich culture, traditions and geographical beauty of Vibrant Gujarat, India.

On behalf of the organizing committee, it is our great pleasure and honor to invite you to participate in the 6th International Translational Cancer Research Conference to explore highly academic environment in stimulating Ahmedabad.

Abstract Form

Title: ___________________________________________________________
_________________________________________________________________
Authors: __________________________________________________________
Presenting Author: ___________________________ Designation: ______________
Institute: _____________________________________________________________________________
E-Mail and Cell Phone Number of Corresponding Author: _________________________________

Select one most appropriate Scientific Session for your abstract:
Session 1:   Cancer and Epigenetics
Session 2:   Cancer Stem Cells
Session 3:   Cancer Metabolomics
Session 4:   Cancer Microenvironment
Session 5:   Cancer and Immune System
Session 6:   Cancer Metastasis
Session 7:   Cancer Prevention: The Holistic Approach
Session 8:   Cancer- Personalized and Precision Medicine
Session 9:   Cancer Drug Development
Session 10: Cancer Models and Muddles

Abstract to be typed on plain page under following headings:
Background:_________________________________________________________________________
Objectives: _________________________________________________________________________
Materials and Methods:________________________________________________________________
Results: ____________________________________________________________________________
Conclusions: _______________________________________________________________________

Oral/Poster Presentation awards:
• There will be 10 oral/poster presentation awards.
• Scientific committee will select outstanding abstracts (received before November 30, 2015) from each
category for oral/poster presentation awards.
• Presentations of the selected outstanding abstracts will be evaluated during the conference and award
winners will be announced.
• The award presentations will be separately evaluated in various categories including (i) P.G. Students
(ii) JRFs/Ph.D. Students (iv) SRFs/Junior faculty members etc.
• Registration before November 30, 2015 for submitting abstracts for award session is compulsory.

Instructions:
• All the abstracts for invited talks and oral/ poster presentations should be submitted before deadline.
• Name of presenting author should be highlighted in bold and underline.
• One delegate will be able to give only one presentation.
• Last Date of Abstract Submission is November 30, 2015.
• Abstract must be typed and presented in English.
• Use the Font type Arial and Font Size 10.
• The Abstract should not exceed 350 words.
• It is mandatory to mail a soft copy to   6thtcra@gmail.com
• Poster size: 4ft W x 3ft H (soft board and pins will be provided)
